The Independent Schools Association (ISA) is the registered charity that represents the Heads of over 670 of the UK's best independent schools. We provide our Members and their staff with a wide range of membership services, including high quality training courses and conferences, networking opportunities, advice and support.

Founded in 1878, ISA is one of the oldest of the organisations for the heads of independent schools.

Our members are Headteachers or Principals of independent schools, or Honorary Members who serve the sector. ISA Members' schools are **diverse** and cover the complete age range and vary in size and nature, from **early years** to **senior, boarding** and **day, all-through schools, co-educational** and **single gender**, and **specialist schools** in the **arts** and **music**.

ISA works closely with Headteachers and with other professional bodies to promote excellence in independent education. We seek to influence the national educational debate on behalf of our Members, while promoting independence and choice.

We offer **Exhibition Space** at a selection of our events, allowing companies to showcase their products and engage with our members in a relaxed and friendly environment. All events allow access to key decision makers in the independent schools sector.

If you have any queries about exhibiting or would like to find out about sponsorship opportunities, please email courses@isaschools.org.uk
