

A graphic on the left side of the poster features a large, stylized microphone with a mesh grille. Several musical notes and stems are scattered around and appear to be floating out of the microphone, creating a sense of sound and music. The background is a soft, purple and blue gradient with bokeh light effects.

Playing and performing music helps to build students' confidence and mental wellbeing. The ISA Band Competition aims to inspire pupils to practice their musical skills, and to work together to produce a cohesive performance.

Eligibility

This competition is open to ISA Members' Schools only. Open to KS1-5. Each school may submit up to **three** entries per age group maximum. This competition does not include choirs. Must be groups, no individual entries. We encourage in-house competitions to narrow down the entries.

At ISA, we are committed to making our opportunities accessible, we welcome applications from all pupils, including those with learning difficulties or disabilities. If your pupil(s), those with an EHCP or on the school's SEND register, are working at a level that differs from their age group's key stage, or if your school or student focuses on development and skills rather than year groups, please contact us.

Alternative formats of these guidelines are available on request. Please notify us at the earliest opportunity so we can provide the document accordingly, if required.
