Refereeing

ONE REFEREE per team is required for the day in case of an emergency. A fair rotation of refereeing will be implemented with neutral umpiring where possible. Please ensure that you have enough staff to cover your supervision requirements.

QUALIFICATION OF PLAYERS – In line with FA regulations the U11 Girls Cup is open to girls currently in school years 5 & 6, and the U13 Girls Cup is open to girls currently in school years 7 & 8.

MAXIMUM NUMBER OF PLAYERS – Each school is permitted a squad of no more than 10 players, only seven of whom may be on the pitch at any one time. However, it is not mandatory to bring 10 players and schools may bring less than 10 players if they wish.

LAWS OF THE GAME – Except where otherwise stated in this document, the normal Laws of the Game will apply. However:

There will be no offside

At all restarts players must be at least five yards from the ball

SUBSTITUTIONS – All substitutions are ‘roll on roll off’ meaning you can make as many substitutions during the game as you wish, subject to the substitution being carried out in accordance with Law 3 of the Laws of the Game.

MATCHBALLS – A size 4 ball will be used in all matches. Schools should provide a match ball for each match during the competition.

PITCH & GOAL SIZES – Pitch sizes will be approx 60x40 yards. Mini-soccer goals will be used at all events.

FORMAT OF TOURNAMENTS – The format of each individual regional qualifying tournament and the national finals day will be at the discretion of the organisers depending on the number of entries (this includes the duration of matches). The organisers reserve the right to alter the duration of matches, if appropriate, at any individual tournament.

GROUP/LEAGUE MATCHES – In group matches, 3 points will be awarded for a win, 1 point will be awarded for a draw. In the event of two or more schools being level on points, teams will be separated as follows:

- goal difference
- number of goals scored
- if only two schools are involved, by the result of the match between those two schools
- if none of the above are decisive, the positions will be decided by calculating a league table with the record of the lowest placed uninvolved team being omitted
- if none of the above are decisive, the positions will be decided by a penalty shoot-out

KNOCK-OUT MATCHES – In knock-out matches, in the event of a draw, no extra-time will be played. In all matches a match ending in a draw will be determined by the taking of penalty kicks. Each team will take three penalty kicks in the first instance, with further kicks to be taken if required. Only players that finish the match on the field will be permitted to take a penalty; other players will remain outside the playing area during the taking of the kicks.

DISCIPLINE – Whenever possible, it is hoped to play this tournament without recourse to official disciplinary sanctions by referees and that, when appropriate, coaches will take responsibility for substituting players before such sanctions become necessary. However, in unlikely and extreme cases, the referee must have the power to resort to official action. Therefore:

a) Yellow cards: Any player receiving a yellow card will be suspended from his/her school's next match in the tournament.

b) Red cards: In the unlikely event of a player receiving a red card, they will be suspended from their school's next match(es), the number of games to be determined by the Tournament Referee. The tournament referee will have sole discretion to determine the length of any sanction.

SPECTATORS – Each school is responsible for the conduct of its supporters. The organisers reserve the right to require a spectator (or spectators) to leave the premises if, in their opinion, his/her behaviour is inappropriate.

QUALIFYING FROM REGIONAL EVENTS – **The top school** from each regional qualifier will be invited to take part at the National Finals Day. The organisers reserve the right to invite additional teams from a qualifier if spare places become available.

Final's day is taking place at St George's Park. Dates for finals are Wednesday 21 June 2023 (U11) and Thursday 22 June 2023 (U13).

All organisers reserve the right to deal with any matters not specifically provided for in the Rules of the Competition and to take whatever action they deem to be appropriate.

Photography

There will be no official photography company present on the day. Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms.

Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.
